School Meals Application Material

The school meals application packet was mailed on May 10, 2000 to the office of the superintendent. The materials are due back to our office on **August 15, 2000**. Please check with your superintendent's office if you cannot locate the packet. You may also access the forms using the following link:

<http://www.state.mi.us/mde/off/oss/index.htm#SchoolMeals>

August/September Claims for Reimbursement

If your school is serving less than 10 days in August, you do not need to submit an August claim. Combine August and September claim data and submit both on your September claim form. If meals were served more than 10 days in August a separate claim must be submitted for that month.

Nutrient Analysis

Attached to this issue is the complete list of schools selected for nutrient analysis for the 2000-01 school year. Please note the list is not presented in any particular order. The schools listed will be contacted by our office with further information and due dates for completing the nutrient analysis process. Any questions should be directed to the school meals unit at 517/373-3347.

Commodity Chat

WHERE'S THE BEEF?

And WHERE'S THE TURKEY?

As some of you may have heard, USDA is tightening its specifications for ground meats, specifically ground beef and ground turkey. The new specifications once implemented will ensure greater food safety. As a result of the new specifications, USDA canceled all of Michigan's ground turkey deliveries. It is unlikely that ground turkey will be available for the 2000/2001 school year while USDA and industry gear up for the new specifications.. Ground beef orders for August were also canceled but will likely be made up later in the year. In the meantime, remember, we do have **PRECOOKED BEEF CRUMBLES**, 30 pounds/case, available from Northern and TLC. This product is precooked and can be used in a variety of combination dishes. Chili, tacos and spaghetti sauce will be in short supply due to the limited availability of beef. We are fortunate to have an alternate supply of beef available to start the school year.

School Food Service Fall Conference

Mark your Calendars for **October 24-27, 2000**. Please complete and return the survey attached to this issue of Food Scoop. Watch your mail for registration information to be mailed out soon.

FALL CONFERENCE

For School Food Service Directors

If you haven't already done so, please mark your calendars for:
OCTOBER 24-27, 2000

In the meantime ...
Give us your input by providing information on all or part of the following topics.

I. SCHOOL SAFETY ISSUES

At your request, Don Weatherspoon, Assistant Superintendent of the Michigan Department of Education with responsibility for the Office of Safe Schools, will be back this year to talk about school safety. To tailor his talk and make it more meaningful for you, he would like you to identify incidents and/or situations related to school safety that have occurred at your school and how the situation was handled. He will then provide solutions to your stories. **Tell us about your safe school story on the following survey form and see it at the Fall Conference through Don's eyes.**

II. SHARING SESSION

There are so many neat activities and initiatives going on in school food service throughout Michigan. Have you survived a building renovation, implemented a POS system, developed a good marketing concept, collaborated in a community project, initiated catering? These are but a few areas others may want to hear about. What did you do? How did you do it? What would you do differently? How did it work? Help us showcase your talents and at the same time provide great ideas for other programs. **If you would be willing to participate in a breakout session comprised of mini-presentations, then please let us know about your accomplishment.**

III. ASFSA CREDENTIALING EXAM

If the four hour exam to earn the School Food Service and Nutrition Specialist were to be offered as a pre-conference session, would you register? The registration deadline is four weeks prior to the date of the exam. So if the exam was offered on October 24, the registration materials would need to be submitted to ASFSA by mid-September. **Will you register if we offer the exam?**

Please Reply on The Following Survey Form
Before Friday, September 1st.
